Storm Preparedness

We're all looking forward to spring, but with it comes the threat of severe weather.

We are planning to have Tornado Drills scheduled on return.. We show children how to get quickly to a safe place in the event of a storm.

Please take some time to discuss these issues with your child and perhaps even have some practice drills to show them places of safety at your home.

Bible Story & Memory Verse of the Month!

Noah's Story

*Look deep in my heart,
God, and lead me
in the way.*

An Encouraging Word...

It's been a strange and unusual time for all of us. You don't need to feel as if you are in it alone. Keep using the FB page to share pictures and connect. Use FB messenger, Facetime or something else to let your child see and talk with their friends. If you are part of a church family stay connected to them. If you don't have a church family, know that JCC is available to help with any needs you might have. If you are feeling overwhelmed and not sure what to do call, text, email, FB message me and I will help as I can.

LOOKING AHEAD . .

**FAMILY PICNICS are

Our construction project at JCC remains on schedule. When classes resume remember that pick up and drop off will happen at the office entrance. A yellow lane stripe has been put down for you to use. Enter the parking lot from the far south entrance and exit by the main entrance. This entrance and parking area will have a regular traffic flow so please stay close to the sidewalk.
